6.1	Item / information disclosed so that public have minimum resort to use of RTI Act to obtain information		Please refer point no 3.5
6.2	Guidelines for Indian Government Websites (GIGW) is followed (released in February 2009 and included in the Central Secretariat Manual of Office Procedures (CSMOP) by Department of Administrative Reforms and Public Grievances, Ministry of Personnel, Public Grievance and Pensions, Govt. Of India)	Whether STQC certification obtained and its validity.  Does the website show the certificate on the Website?	We are in process of obtaining STQC certificate.  Bank had initiated the process of getting the certification . However, during the preparation of the documents for the certification, Bank staff got in touch with the STQC officials and they had informed us that this particular certification is for GOI websites only. In other words, the websites with domain names ending with gov.in or nic.in or edu.in or similar domains are eligible for the certification. And since our Bank's website is having .in, .com, .co.in domain names, we are not eligible for the same. The same is mentioned in the Guidelines for Indian Govt Websites - GIGW2018_Rel eased version.pdf under point 2
